## THE STONO PHOSPHATE COMPANY

OF CHARLESTON, S. C.

PROPERLY APPRECIATING THE NECESSITY OF FOSTERING THE PLANTING Interest of the South, resolved in the outset to offer their Fertilizers at a Price which would place them within the reach of every Planter. They offer their "Soluble Guano," a complete ammoniated Fertilizer, at \$45 cash, or \$50 on a credit, to the 1st November next, with approved city acceptance without interest. The "Dissolved Phosphate," for composting with Cotton Seed or Stable Manure, is now offered at the very low price of \$25 cash, or \$30 on credit, as above. That is highly recommended by Planters who used it last year to their entire satisfaction.  
WM. RAVENEL, President.
